

## ***Child & Family Resources Presents: New Jersey First Steps Director's Track***

New Jersey First Steps invites Center Directors serving Infants and Toddlers to take part in this valuable series.

**All classes in this series are from 10:00 AM—1:00 PM**

**Birth to Three Early Learning Standards** Wed January 25, OR May 24th 2017 Come build your professional practice using the NJ Birth to Three Early learning Standards. Gain an understanding of all five domains. Attendees will receive a copy of the Birth to Three Early Learning Standards.

**Health and Safety** Wed: Feb 22, OR June 28th 2017

Participants will become familiar with the Gold Standards for Health and Safety Practices as they relate to Personal Care Routines with Infants and Toddlers through the ITERS lens: sanitation at meals, diapering procedures, and other healthy and safe program practices. Participants will also gain a better understanding of how to implement programmatic philosophies and policies that support health and nutrition.

**Infant/Toddler Environment Rating Scale (ITERS-R) Part 1** Wed March 22 OR July 26th 2017

Participants will explore the Infant Toddler Environment Rating Scale to understand the 3 basic rights that this tool measures, and learn how to use it to measure and score the Process Quality in their programs. Each attendee will receive an ITERS manual.

**ITERS-R Part 2** Wed April 26 OR August 23, 2017

This course will go more in depth in helping you understand the ITERS-R and explain how to use the "All About the ITERS" book as a resource to gain a better understanding of how to use the tool. Each attendee will receive an "All About the ITERS" book.
